OBJECTIVE

Aspiring cybersecurity student with a strong foundation in analytical thinking, a genuine interest in AI-driven technology, and a growing, self-directed curiosity in how systems are secured. Seeking to pursue a Bachelor of Cybersecurity at La Trobe University, Melbourne, where my proven ability to self-learn, lead, and independently execute projects can be applied to building a career in critical infrastructure protection for Bangladesh.

EDUCATION

La Trobe University, Melbourne (Bundoora), Australia

- Conditional Offer – Bachelor of Cybersecurity, Summer 2026 Intake

Uttara University, Dhaka, Bangladesh

- Bachelor of Science in Computer Science and Engineering (Ongoing), Batch 67, Section G
  - Student ID: 2262081258

B.A.F Shaheen College, Kurmitola

- Higher Secondary Certificate (HSC), 2025
  - Achieved GPA: 4.92 / 5.00

B H Khan School and College

- Secondary School Certificate (SSC), 2023
  - Achieved GPA: 5.00 / 5.00

SKILLS

- Cybersecurity Fundamentals – self-directed introduction via TryHackMe and independent research; strong interest in how systems are exploited and defended
- AI Tools & Applications – genuine interest in applying AI tools to content creation and problem-solving
- Computer Science & Engineering – core programming and systems coursework
- Video Production & AI-Assisted Content Creation
- Analytical & Strategic Thinking
- Leadership & Discipline – built through Scouting and Bangladesh National Cadet Corps (BNCC) training
- Languages: English & Bengali (fluent); Hindi & Urdu (conversational); Arabic (reading)

EXPERIENCE

YouTube Content Creator (Self-Directed Project)

- Built and grew an English-language YouTube channel from a personal interest in content creation to approximately 4,000 subscribers, without external mentorship or budget
- Self-taught video editing and AI animation tools to independently plan, produce, and publish content

EXTRACURRICULAR ACTIVITIES & COMMUNITY INVOLVEMENT

- Bangladesh National Cadet Corps (BNCC) – member; training in discipline, teamwork, and responsibility
- Scouting – active member; community service and organisational skills
- Volunteering – flood relief and tree plantation drives
- Sports & Strategy Games – cricket, football, and chess
